Beginning

1. Open the application and you will be on the **Login Page**.

The screenshot shows a web browser window titled "Mynance". The page has a clean, minimalist design. At the top, there are four buttons: "Dark Theme", "Light Theme", "English", and "Serbian". Below these buttons is a large, bold heading "Welcome to Mynance!". Under the heading, there are two input fields: "Username" and "Password". Below the "Password" field is a "Sign in" button. At the bottom of the form, there is a link that says "No account? Sign up here!".

2. If you are a new user, click the **Don't have an account? Register here!** to create an account.

A screenshot of a web browser window displaying the Mynance registration page. The browser's title bar shows 'Mynance' and standard window controls. The page has a white background. At the top left, there is a back arrow icon. Below it, the text 'Register here!' is displayed in a large, bold, black font. Underneath this heading, there are four input fields, each with a label to its left: 'Username', 'Full name', 'Password', and 'Confirm password'. Each label is in a bold, black font. The input fields are simple white rectangles with thin gray borders. At the bottom of the form, there is a 'Sign up' button, which is a white rectangle with a thin gray border and the text 'Sign up' centered inside it in a bold, black font.

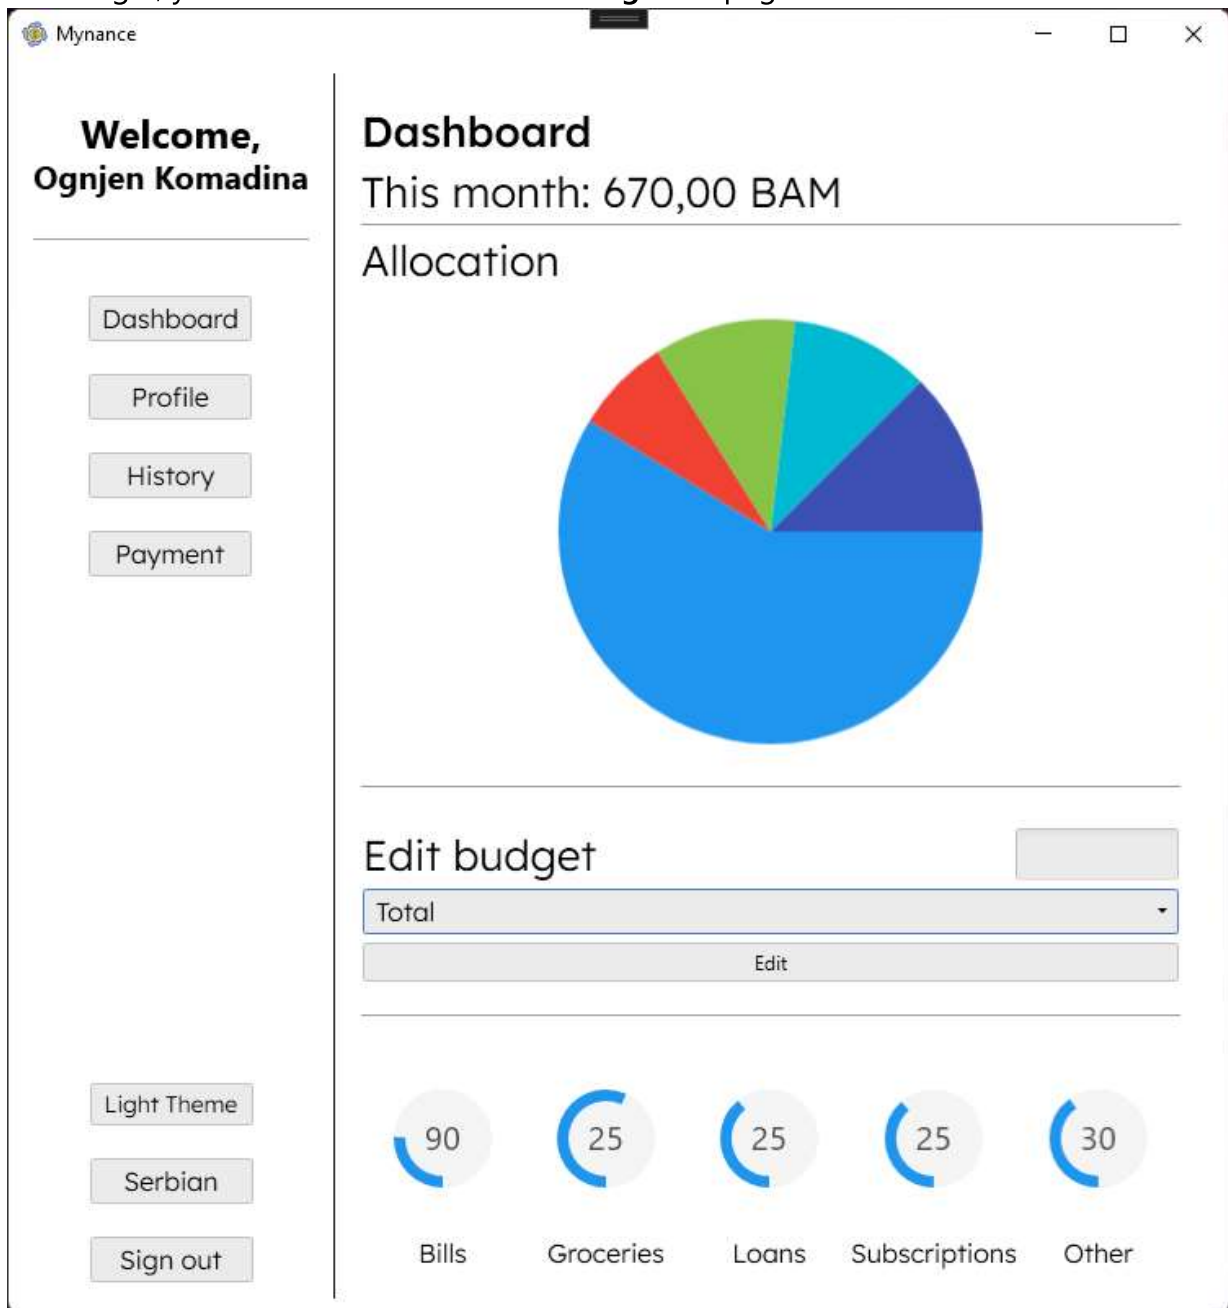

3. Fill out the registration form with your information and you can start using the **Mynance** application services!

Login and registration

1. Once you've registered, go back to the **Login Page** and enter your credentials.
2. Click the **Login** button to access your account.

User control panel

1. After login, you will be redirected to **Landing User** page.

2. From here you can access various features using the **Side Navigation Bar** on the left.

Admin control panel

1. If you are an administrator, after logging in you will be redirected to the **Landing Administrator** page.
2. From here you can access the administrative functions using the **Side Navigation Bar**.

Viewing payment history

- 1. To view your history, go to the **History Page** by clicking on **History**.
- 2. Here you can see your past activities and transactions.

Edit profile

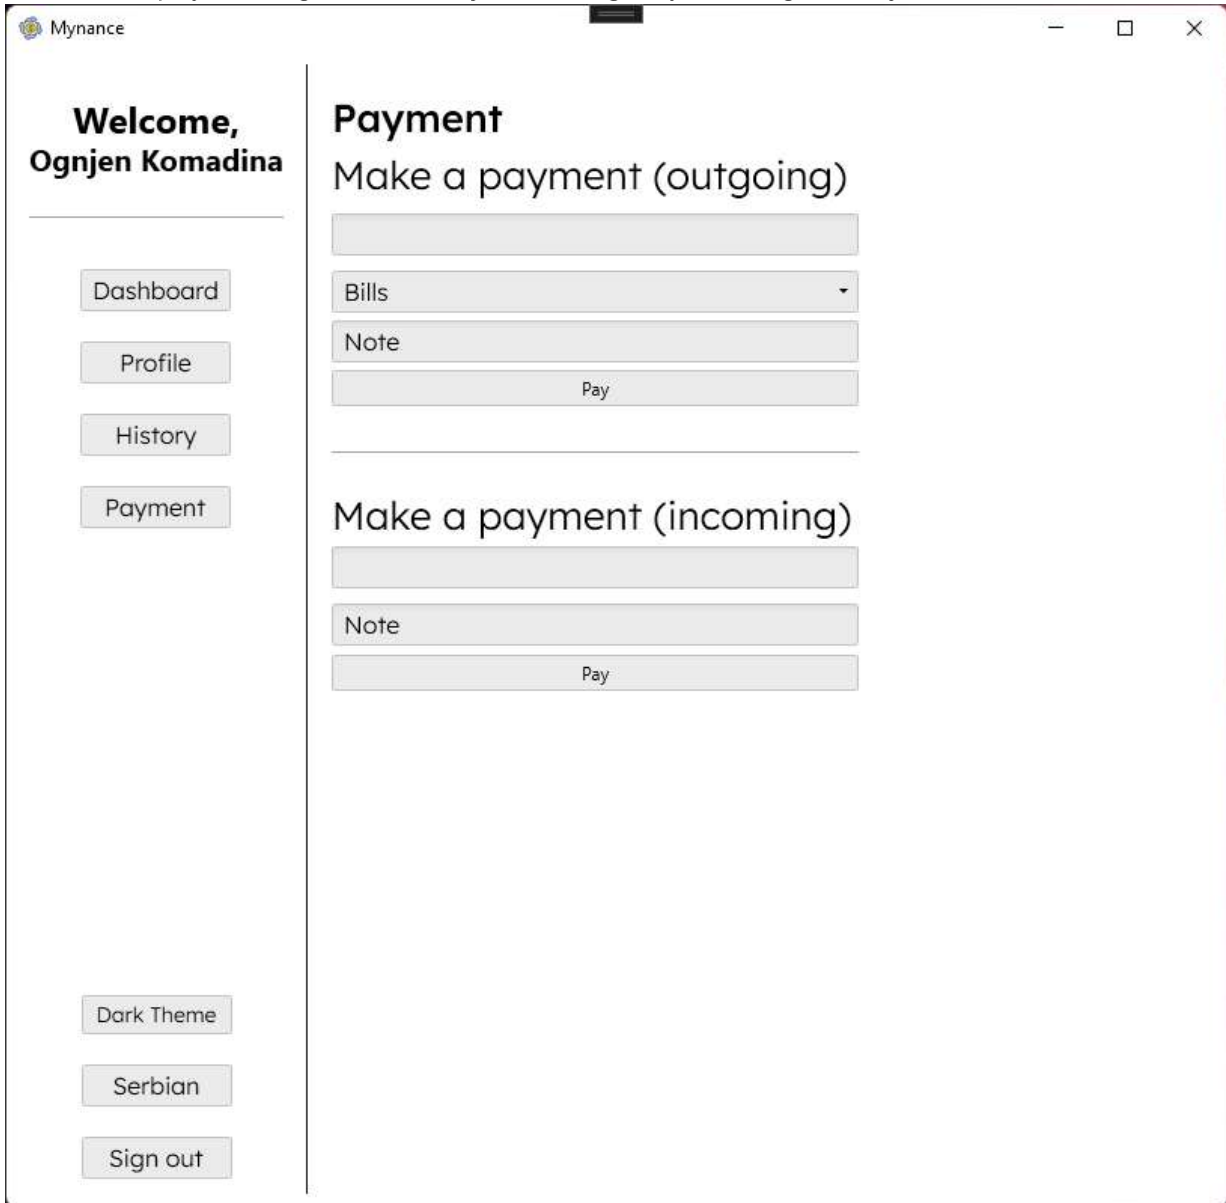

1. To view your profile, go to **Profile Page**.

Payment

Payments

1. To make a payment, go to the **Payment Page** by clicking on **Payments**.

The screenshot shows a web application window titled "Mynance". On the left is a sidebar with a welcome message "Welcome, Ognjen Komadina" and a list of navigation buttons: "Dashboard", "Profile", "History", "Payment", "Dark Theme", "Serbian", and "Sign out". The main content area is titled "Payment" and "Make a payment (outgoing)". It contains a form with a text input field, a "Bills" dropdown menu, a "Note" text input field, and a "Pay" button. Below this is a section titled "Make a payment (incoming)" with a similar form structure.

2. In order to make a payment for certain obligations, you can fill out the form, enter the amount of money (using the current regional separator, more precisely ,), select the payment category from the drop-down menu, and, if you wish, fill in a *comment* of the

payment.

The screenshot shows the Mynance web application interface. On the left is a sidebar with the following elements: a 'Welcome, Ognjen Komadina' message, a list of navigation buttons (Dashboard, Profile, History, Payment), and a section with 'Dark Theme', 'Serbian', and 'Sign out' buttons. The main content area is titled 'Payment' and 'Make a payment (outgoing)'. It features a form with a 'Bills' dropdown menu, a 'Note' text input, and a 'Pay' button. Below this is a section titled 'Make a payment (incoming)' with a similar form structure.

3. By clicking on "Payout" you have made a payment, and you can view it in the payment history. Your budget in that category will also be updated.

4.

Payments

1. According to the payments, you can also make a payment to your account (current monthly budget), by filling out the form shown on the page.

The screenshot displays the Mynance web application. On the left, a sidebar contains a welcome message for 'Ognjen Komadina' and a list of navigation buttons: Dashboard, Profile, History, and Payment. At the bottom of the sidebar are buttons for Dark Theme, Serbian, and Sign out. The main content area is titled 'Payment' and 'Make a payment (outgoing)'. It features a text input field, a 'Bills' dropdown menu, a 'Note' text input field, and a 'Pay' button. Below this, there is a section for 'Make a payment (incoming)' with a text input field containing '250', another text input field containing 'Scholarship', and a 'Pay' button.

2. Your budget will be increased by the given amount, as can be seen on the home page.

Personalization

Thematization

You can change the theme by clicking the "... *theme*" button, where you can choose from your preferred theme. Your selection will be saved when you log out of the application.

Localization

If you want to change your application language, you can do the same by clicking on the "English" button, which will update the language used to display the content on the application. Your selection will be saved when you log out of the application.

That's it! With these steps, you should be able to navigate and use the app.
